CITIZENS SUIT

I have the Right-to-Know where my mother is See Atlantic States Legal Foundation, Inc v. Buffalo Envelope, W.D.N.Y. 1993 823 F.Supp 1065.

I am an American Citizen and there moneys rendered by Congress to find Americans in which there whereabouts are unknown so use that money for the in forma pauperis account. Afterall the Court is taking Money for Awala vs Kosyte closed Case. I am american Citizen, I am American Citizen, I am American Citizen, i am American Citizen. America must strengthened his weak children, heal them and broke their chains and bring back those who are lost, instead it acted with cruelty and scatter them and failed to search for them, I am one of them I was lost and now brought back.
